# BALLOONIST AT 9.

Charles B. Whittlesey, Jr., a youthful aviator of Hartford, went to Spring-field Monday to send up an experimental dirigible balleon at the works Joe Nelson, the Interlocutor, has a fine high tenor, and so has Al. Berger, the strawberry cloude, near the end. Joe sings, Ges. I Wish I kind as Girl, and Al. sings, There Never Was a Girl Like You. The end men, Joek Welch and Whilsam Oswald, are clever folers and good singers. Jack is a tenor and his solo is I'm Gind I'm Married. Oswald is a bass and his number is Down to the Bottom of the Deep Blue Sea.

The liand balancing of Ed. Eister is both daring and ingenious, lie puts four quart bottles filled with water on lon of a fragile stand and on

The Three of Us-Nelson, Flerger, and Cavalid-have a musical sketch with new jokes and solos by Nelson and Berger. Cowald does some good comedy stants that are amusing. The dancing of Stewart and Brown is dancing of Stewart and Brown is good.

The Mozart Trio plays cornet, trombone, banjo, mandolin and clotha. The concert chinges, the windue mumber, means five minutes of delightful muster.

The week's mathress commenced can do.

show is at 2.0, right after the arrival works. Some of the experiments are of the car leaving the square at 7.5. Indeed, where the lad has a ladrogen periodic in the car leaving the square at 7.5. Indeed in Hartford, where the lad has a ladrogen periodic in the ladrogen for Westerly will leave the park at filling the cavelope. It will require the last dance. Commening only a slight enlargement of the capa.

In the server of the successes on the long list of the Breef theater.

Munager McNulty being binuself the expert of the making at the stear and having personally instructed the construction of these marvelous machines, is wonderfully equipped with all of the trade secrets, and this fact, coupled with the finest ricture projecting machines procurable, assist materially in making his theater the success that it is.

Master Harry Noonan, the dainty liftle boy soprano, wins triple encores at weary performance, his winning way and delightful work calling for countless compilments. He sings, I've Taken Quite a Fancy to Yeu, Dex, as a cancert number, following with When I Am Away from You, a catchy ling-trated song, randering them both with an ease of manner creditable to any older artist.

This meeting was held on Thursday evening, but the real significance of it apparently was not clear to the majority of the voters, 250 only a few untended ed. After a peated debate it was voted to after a peated debate it was voted to accept the gift. As seen as the business and the other which here agned by most of the marking against the acceptance of the park was started and through this it is expected that what here agreed by most of the marking against the acceptance of the park was started and through this it is expected that what here agreed by most of the marking against the acceptance of the park was started and through this it is expected that what here agreed by most of the marking against the acceptance of the park was started and through this it is expected that what here agreed by most of the marking against the acceptance of the park was started and through this it is expected that what here agreed by most of the park was started and through this it is expected that what here agreed by most of the park was started and through this it is expected that what here agreed by most of the park was acceptance of the pa

POETRY.

MAGIC. An ancient wildweed showed its heart to me.
(O Little Wind that brought me what it said!)
I went within its fastness revorently.

There lived the silence otherwhere long led Captive by sound. There the persuading green Took ancient cliadels with soundless tread. To RENT—At 53 Oak street, nice tenement, either four or seven large rooms, first floor. Apply Mrs. W. M. Vers, 58 Hobart Avenue. dec14MWF Was not the opening blue of bud be-tween soft solitary leaves a lyric set To airy music of the things they mean?

My hands were mother tender of the Of silk they found. My feet were filial light
To loose no dow from the least violet. The element formed of dissolved night Seemed in the air, A million little minds Kept concert just without the bourne of sight.

O ... and suddenly as morning finds White towers I heard the ancient wood unfold Its rumoring secret piped by little winds.

Nine-room tenement with bath and all modern improvements, on Laurel Hill avenue. Address F. La HULCHINS, sug2d 37 Shetucket St. "Behold ... behold Listen ... to me, to me?" And then it toldf...

The whole world, like a bell, heard 300 feet from freight station. R. R. That which I lost I found a facry bed junction and transfer point. Handy to And saw that which the wildwood let (O Little Wind that brought me what it said!)

AUNT MOLLY'S CHERRY PIE The sun his warmth and radiance sent, the moon her dew distilled. And dew and light in magic blend the reddening cherries filled. The sweatest truit the songhirds left among the branches high—All gentle nature helped to make Aunt-Melly's cherry pic.

New cottages and tenements.
Enquire of A. L. POTTER & CO.,
18 Broadway.

jy7d

Aunt Molly baked it yesterday: dear friend, if you had tasted, wanted.

A reprive filled our had tasted.

A reprive filled our hungry souls to see each segment lie.

An faland in a sea of juice—ah; that was cherry pie.

Henceforth, in meditative times, when
I would call to mind
A symbol capable to stand for all
that's good and kind.
For all that's worthy to admire and
right to glorify.
I shall not need to think beyond Aunt
Molly's cherry ple.
